Ozo 24/7 Collect & Recycle

KEY SERVICES	
24/7 COLLECTION SERVICE	It can be more convenient and efficient to have your bins serviced outside standard business hours. We can service your bins from early in the morning to late at night depending on what is most convenient for you.
SERVICING UNDERGROUND CAR PARKS	Coupled with our afterhour's service, we specialise in servicing properties where it may be difficult or inconvenient to access the bin storage areas during normal business hours. We have a wide range of waste collection trucks, making it easy for us to access all types of underground car parks and bin storage areas.
BIN CLEANING SERVICE	Now you can keep your bins squeaky clean with our environmentally friendly on-site bin washing service. Our mobile bin cleaning truck can wash all makes and sizes of wheelie bin in a totally enclosed and watertight area of the truck. All wastewater is disposed of in compliance with the Water Pollution Act.

PREPAID BAG SERVICE		
GENERAL WASTE BAGS	Our blue pre-paid bags are ideal for premises with small storage areas or businesses generating small amounts of general waste. Minimum order of 4 rolls X 15 bags per roll.	
MIXED RECYCLING BAGS	Our orange pre-paid bags are ideal for premises with small storage areas or businesses generating small amounts of recyclable materials. Minimum order of 4 rolls X 15 bags per roll.	

OFFICE RECYCLING BINS		
SLIM JIM OFFICE RECYCLING BINS	Slim Jim bins are ideal for the collection of source separated recyclable materials in offices, kitchens and toilets where there may not be enough room to store a wheelie bin.	

Ozo 24/7 Collect & Recycle

OFFICE RECYCLING BINS		
LOW COST CARDBOARD OFFICE RECYCLING BOXES	Made from recycled cardboard, these environmentally friendly office-recycling boxes are a low cost alternative to the popular Slim Jim office recycling bins.	
DESKTOP RECYCLING TRAYS	Made from recycled cardboard, these desktop recycling trays are ideal for storing scrap paper or collecting mixed waste materials for daily disposal.	

MOBILE GARBAGE BINS (MGB)		
GENERAL WASTE BINS	We have blue 240L, 360L, 660L, and 1100L wheelie bins for the collection of General Waste. All bins, made from recycled High Density Polyethylene (HDPE), comply with IS EN 840 1997.	
MIXED RECYCLING BINS	We have orange 240L, 360L, 660L, and 1100L wheelie bins for the collection of Mixed Recycling. All bins, made from recycled High Density Polyethylene (HDPE), comply with IS EN 840 1997.	
GLASS BINS	We have 240L, 360L, 660L, and 1100L wheelie bins with colour-coded lids for the separate collection of clear, brown and green glass. All bins, made from recycled High Density Polyethylene (HDPE), comply with IS EN 840 1997.	
COMPOST BINS	OZO supplies internal organic waste collection bins in 10L, 25L and supplies & services organic waste in 140L, & 240L bin sizes to comply with the new food waste collection regulations.	
GRAVITY LOCKS	Secure the contents of your wheelie bin with a gravity lock that opens automatically when the bin is lifted by our waste collection truck and re-locks automatically once the bin has been emptied.	

Ozo 24/7 Collect & Recycle

COMPACTORS & BALERS		
COMPACTORS	On-site compactors are ideals for managing larger quantities of recyclable materials such as paper, cardboard or plastic packaging.	
BALERS	On-site baling presses are ideal for managing large to medium quantities of recyclable materials such as paper, cardboard or plastic packaging.	

SKIPS		
4 CUBIC YARD MIDI SKIPS	This medium sized skip with a capacity of 4 cubic yards will hold an average of 30 domestic refuse sacks. Perfect for those large clearouts and small construction jobs. Dimensions: 7'x4'x3' ft.	
6 CUBIC YARD STANDARD SKIP	This standard builder's skip with a capacity of 6 cubic yards will hold an average of 60 domestic refuse sacks. Ideal for small shops, pubs, restaurants and construction works. Dimensions: 12'x6'x3' ft.	
14 CUBIC YARD REL SKIP	This higher volume skip has a capacity of 14 cubic yards which is suitable for lighter materials.	
20 CUBIC YARD ROLL ON ROLL OFF SKIP	This heavy-duty roll-on-roll-off skip which is suitable for construction & demolition and other forms of bulk waste.	
35 CUBIC YARD ROLL ON ROLL OFF SKIP	High volumes skip with a capacity of 35 cubic yards which is suitable for lighter materials.	
STATIC COMPACTOR SKIP	This static compactor skip has a capacity of approx 35 cubic yards. Requires a power supply.	

Ozo 24/7 Collect & Recycle

MISCELLANEOUS		
SPECIAL BULK COLLECTIONS	We provide an on-demand service for the collection of large bulky items such as furniture and white-goods.
